OMNICOURT® PROCOURT

ITF CLASSIFIED COURT SYSTEM

OMNICOURT®

OMNICOURT® PROCOURT

ITF CLASSIFIED COURT SYSTEM

OmniCourt ProCourt is a sophisticated elite tennis court system. The shorter denser pile combined with a thicker rectangular yarn provides outstanding consistent ball bounce with excellent footing and traction. The higher tufting density of fiber also makes OmniCourt ProCourt more aesthetically pleasing and is ITF classified.

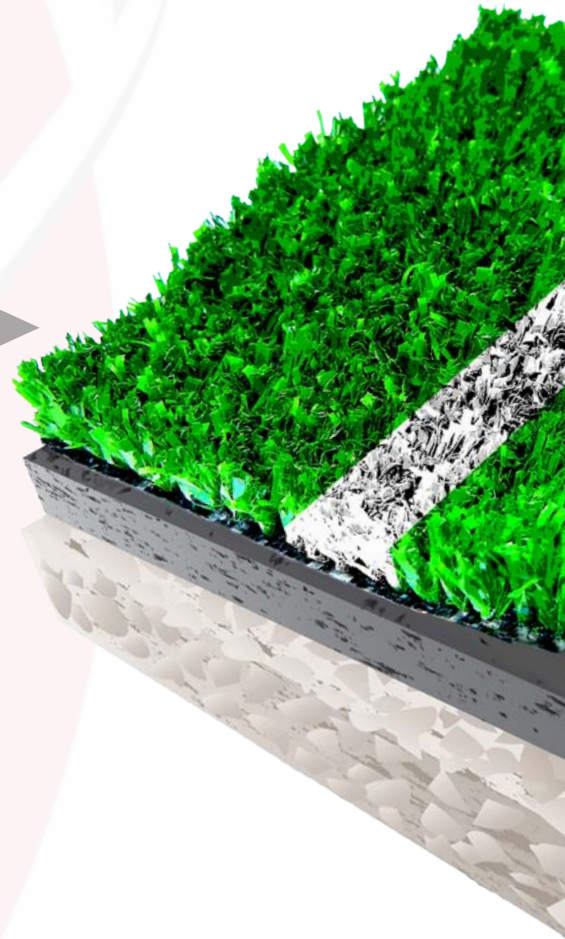

-  High tufting density
-  Lawn like appearance
-  Low ball bounce
-  High spin responsiveness

DENSELY TUFTED HIGHLY DURABLE POLYPROPYLENE TURF

LINES TUFTED IN DURING MANUFACTURE

BASE TO ITF REGULATION/RECOMMENDATIONS
